

BRUNO COLIN

CHASSAGNE-MONTRACHET "Ma Vigne de 1955"

Production Surface Area: 0.07 hectare in the «En Jourbnoblot» area.

Grape variety: 100% Chardonnay

Soil: Clay-limestone

Years of vine plantings: 1955

Cultivation: Organic. The soils are worked and tilled mechanically.

Harvests: Manual with selective sorting in the vineyards.

Specific features: This wine comes from a parcel planted in 1955 by Bruno's grandfather. East to south-east facing, the vineyard benefits from early morning sunlight while being protected from the intense heat of the afternoon. This orientation ensures even ripening while preserving freshness. Located mid-slope, just below Bâtard-Montrachet and adjoining Criots-Bâtard-Montrachet, the parcel combines slightly deeper soils with a naturally well-ventilated site, sheltered from westerly winds.

Ageing: 12 months in 350 liter barrels (approximately 15% new barrels) and 4 to 6 months in vats before bottling.

Tasting: Pure, bright hue.

An intensely fruity, expressive and generous wine. The palate is round and fleshy with aromas of yellow fruits such as peach, apricot and mirabelle plum. A rich and indulgent wine with good texture that can be enjoyed in its youth.

Results: Grapes ripen evenly, producing wines that are precise and well-balanced, with tension, purity and no excess richness. One of the most compelling sites in the area for achieving a straight, elegant and perfectly controlled
